Lab 4-3 : Improving the notebook project

Group 14 : Laurène DONG, Marion DOSPITAL, Lauranne LAIR, Thibault NIGGEL, Florian PAILLAS, Ophélie SOCHARD

Between Note and SimpleDate ⇒ Composition
The Note class "has" an object of the SimpleDate class, and this SimpleDate object cannot exist without the Note.

Between Note and Notebook ⇒ Aggregation
The Note class object can exist independently of the Notebook class object. If the Notebook is deleted, the Notes can still exist.
